PT-MOSQUITO-SR+

SELF-RELEASING CATHETER PIERCING NEEDLES
W. RECEIVING TUBE CAP
(50PCS BOX)

1 Comfort-grip handle

- Significantly better grip .
- The lure lock (small coloured part at the end of the tube) sits firmly in place and can not slide down during the piercing process.

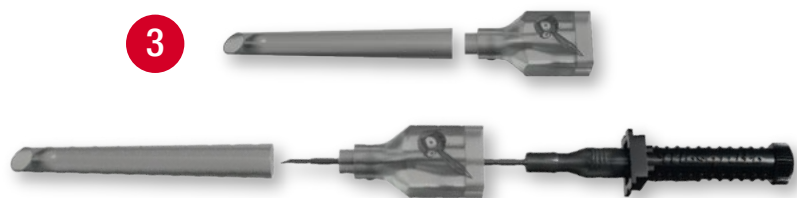

The handle has a Mosquito design and is made from one piece . Individual parts can no longer come off.

2 Label of blister packaging is completely coloured for better sorting

3 NEW: Modified cap – may be used as a receiving tube!

- The cap is now divisible . This means that both the longer part (with a 45° angle) and the shorter straight part can be used as a receiving tube depending on personal preference and body part.
